OPINIONS OF THE PRESS.

THE YACHTING SEASON.—*Punch* says, "There is nothing more refreshing than Rhinegau Champagne." DENYER & Co. *supply Yacht Owners Free of Duty.*

"H.R.H. the Duke of Edinburgh has honoured Messrs. DENYER & Co. with commands to supply their 'New Sparkling Wine—Rhinegau Champagne,' for his Royal Highness's use on board the 'Sultan.'"—*Army and Navy Gazette, April*, 1876.

The Morning Post says—"At a time when prohibitive prices circumscribe the pleasures of the table, a word of welcome is due to Messrs. DENYER & Co. for introducing 'The New Sparkling Wine—Rhinegau Champagne,' which superadds to the rich flavour of finest Champagne the aroma of the choicest Hocks, and at half the price of the best brands of Champagne."

The Court Journal says—"There can be but one opinion—it is THE Wine of the day. It is good and pure. The nobility, careful in this matter, have thoroughly patronised it. Has this year had Royalty's stamp of approval placed upon it. Pic-nic and palace fête know it, and thereat it has won the renown it deserves."

NOTICE.—*P.S. The great success attending the introduction of this much-admired wine has enabled the Importers to supply the same at* above prices, *through every Wine Merchant in the United Kingdom. To be tasted free, or Samples forwarded.*

36s. per Doz. **Pure Manzanilla.** **Very Old, 48s. per Doz.**

The Medical Press and Circular says:—"It is quite correct to say all pure Manzanilla comes from Sanlucar. The samples we analyzed were bought of DENYER & Co., 95, Regent Street, and were quite *pure*. We have since tried samples of Amontillado and Solera from the same Firm which are equally pure."

The Tablet, October 30th, 1875, says:—"Messrs. DENYER & Co. of 95, Regent Street, supply at £16 the quarter-cask, and at 27s. the dozen, either a fine pale dry or full bodied Sherry, both of which are perfectly sound wines, and as a vino de messo, or dinner wine, cannot be surpassed at the price for purity and delicacy. The 'pure wines of Sanlucar'—Manzanilla, Solera, and Amontillado—are fit 'to set before a king.'"

The designation **RHINEGAU CHAMPAGNE** *is protected by Registration at Stationers' Hall.*

BROAD ARROW.

ESTABLISHED 1868. *PRICE SIXPENCE.*

THE BEST PAPER FOR FIRST-CLASS ADVERTISEMENTS.

NOTICE TO ADVERTISERS.

The **BROAD ARROW** has long had by far the *largest circulation* of all the *Military Papers.*

This results from the high character it has always sustained for early and exclusive intelligence, for the earnest support of all measures for the good of the Services, and the high tone and independent course of its staff of writers (for the most part officers of rank and experience, or men of note in literature who have made the naval and military affairs of the country their special study).

The circulation has been estimated to be larger than that of all the other military papers; but it is not only among the officers of the British Army and Navy alone that this extensive circulation could be obtained.

The **BROAD ARROW** circulates largely throughout India and the Colonies: not only among Government officers, but among civilians interested in the matter of local defence. It is also read extensively by officers of the German, French, and American Army especially, and by foreign officials who desire to acquire a true impression of facts and public opinion in England regarding Military affairs.

The **BROAD ARROW** is also circulated largely among the wealthy, influential classes of civilians who have relations serving in the Regular Forces, or in the Militia, Yeomanry, or Volunteers.

The preference of the **BROAD ARROW** by this very large class of readers is doubtless caused by the fact that the paper has always taken a broad view of its duties, and placed the safety of the country first, the good of the Services second in consideration.

Whatever may be the cause of the unprecedented large circulation, high character, and influence of the **BROAD ARROW**, it is undoubtedly well worthy of selection by advertisers who address themselves to the best class of readers among the most wealthy and influential families interested in Military matters, both at home and abroad.

The Accumulated Profits of the Universal, at the 43rd Annual Investigation, in 1877, amounted to £267,423. Upwards of four-fifths of this sum is reserved to enter into the average of future years. The remaining fifth allows of a reduction of the Premium upon participating policies on the same liberal scale as for fourteen years past, namely, 50 per cent., or one-half the original premium. Policies upon which the premium was originally £100, will thus be charged with £50 only of premium for the current year, May, 1877-78.

Assurances may also be effected upon the Lives of parties resident in other parts of the world on equally moderate terms with those charged by other respectable Offices.

"Free" Polices granted which can never entirely lapse by non-payment of Premiums.

The Assured, not being mariners by profession, may, in time of peace, go in a decked vessel, to and from any place in Europe, also without extra charge or license.

The Assured may also obtain permission to reside in Australia, Tasmania, New Zealand, the Cape of Good Hope, Madeira, and British North America.

Application for Prospectuses and Forms of Proposal should be addressed to the Agents, as above, or to

The quinquennial valuation made at the end of 1875 enabled the Directors to declare a **Reduction of Sixty per Cent.** upon the original Premiums on all Policies in Class A for the five years ending with 1880.

In Class B Policies have a reduction of Premium for the whole term of Life, which, in the cases of those effected in 1871, varies from 3½ per cent. to 24 per cent., according to the age of the Life Assured.

VALUATION BALANCE-SHEET, 31st December, 1875.

Assurance Fund (accumulated solely from Premiums)	£675,883 3 8
Net Liability under Assurance and Annuity transactions	337,366 16 0
Surplus available for future Bonus and Expenses	£338,516 7 8

All the Profits belong to the Assured, and are applied to the gradual reduction and ultimate extinction of their Premiums, a result which may be expected to occur, in the average of cases, in about 20 years from the date of the Policy.

Funds for the **Education of Children** and for their **Establishment in Life** may be provided on unusually favourable terms on a new system lately introduced by this Society, based upon Tables of Mortality specially constructed for the purpose.

Loans granted upon Life Interests, Reversions, and other approved Security.

Applications are invited from Gentlemen of influence and position, who are willing to act as Agents in Districts where the Society is not represented.

Persons desiring to effect Assurances on Lives, in any part of the country, are invited to apply to—

This new West End Club, which now numbers 1378 Members, is open in one of the best positions in the West End, being at the co ner of Pall Mall, opposite the Athenæum Club.

This Club is established to meet the wants of Gentlemen who, owing to the almost dead-lock existing among the leading West End Clubs, are at present without the advantages of one.

The Club is intended for Members of Town and County Society; and one of its objects also is, as its name also denotes, to offer a place of resort for Men of Travel and other Gentlemen who have associated in distant parts of the world.

The Entrance Fee at present is Ten Guineas, which will be raised when the strength of the club is completed.

The Annual Subscription is Eight Guineas, which extends to May 1st, 1879, but Members residing beyond a radius of 50 miles from London are admitted as Country Members, at an Annual Subscription of Four Guineas, upon conditions which may be obtained of the Secretary.

The Subscription of Officers on Foreign Service is One Guinea, and other Gentlemen residing abroad, Two Guineas

This Club being strictly proprietary, the Members incur no liability.

Turtle Jelly.

(Brand & Co., Little Stanhope Street, Mayfair.)

This is a perfectly clear jelly, made from real turtle, and flavoured slightly with lemon or orange. It is an excellent preparation, and will form a valuable addition to the *menu* of the invalid. We have already seen it used with success in cases where ordinary food was retained with difficulty.

ESSENCE OF BEEF, MUTTON, VEAL AND CHICKEN, (BRAND AND CO.)

Although these preparations can now hardly be called novelties, we notice them on account of their great value in medical practice. They consist of the pure juice of the flesh, extracted by heat and clarified, but not concentrated and otherwise untouched. The juice sets to a thin jelly as clear as sherry, and the flavour of the meat is perfectly preserved. The first idea of this kind of preparation is due, we think, to Dr. Druitt, and if so, the profession is indebted to him for a very useful combination of food and stimulant. The essences are best used cold, but may also be liquefied by heat, and used as enemata. Of course they do not keep long when once opened.

The same firm prepares *Concentrated Extract of Beef*, and *Invalid Turtle Soup*, both excellent in quality.

MESSRS. TREACHER & CO. (Limited), Bombay, Byculla, and Poonah, are Agents there for Brand & Co.'s Specialities for Invalids.

BLAND'S KEEPER'S GUN, A CENTRAL-FIRE BREECHLOADER,

In 10, 12, 16, and 20 bores.
Price 6 Guineas (with Choke Bore-barrels, 21s. extra).
Strongly recommended.

Testimonial from B. D., Esq., H.M.'s British Residency, Klang, Salangore, May 18, 1877.

"The Keeper's Gun you sent me through Messrs. McA. & Co., of Singapore, is, without exception, one of the best, I may say the best, killing gun I ever put to my shoulder."

BLAND'S
WILDFOWLER'S GUN, CENTRAL-FIRE BREECHLOADING,

4-bore, with nickel-plated furniture. Price 21 Guineas.

Testimonial from Sir David D. Roche, Bart., Carass, Croom, Co. Limerick, December 16, 1877.

"I beg to say that I have had a gun built this winter by Messrs. BLAND, Strand, London, of the following dimensions: 4-bore, 17lb. weight, medium choke, charge 10 dr. powder, 3½oz. shot, fitted with a silver recoil pad. I find this gun recoil very little, and kills well to 120 yards."

BLAND'S CAPE GUN, A RIFLE AND SHOT GUN COMBINED.

The right barrel, being for shot, is a 12-cylinder bore; the left is ·577, with Henry rifling, using the Government Boxer cartridge.

It is sighted and shot up to 300 yards; weight 9lb. Price 16 Guineas.

The Field, in an article on the 13th of October last, says of the above Cape Rifle and Shot Gun: "Selecting one at random from a stock of ten in the London shop (No. 3906), we tried the rifled barrel first at seventy, and afterwards at one hundred yards, from an ordinary rest, and were able to put ball upon ball at both distances after two or three trial shots—so that the truth of its shooting from the rifled barrel is good enough for any purpose, and, indeed, cannot be excelled even by the most expensive rifle in the market at these ranges, which are those chiefly required by emigrant sportsmen; and we have no doubt that the shooting is proportionately good at three hundred yards, for which it is sighted. We then tried the smooth-bore in the usual way, and it performed quite up to the average, making an excellent pattern, with a very fair amount of penetration."

EXPRESS DOUBLE RIFLES.

·360, ·450, ·500, and ·577 bore. 20 Guineas.

N.B.—Any of the above can be delivered free in either of the large ports of India or of British Burmah, in a tin-lined case, for £1 1s. more.

CHAPTER III.

GENERAL RULES.

5. Leave of absence can never be claimed absolutely as of right. Nothing in this Code or its Supplements must be understood to limit the free discretion of the Government to refuse or revoke leave of absence of any description, at any time, according to the exigencies of the public service.

6. If an officer who is absent on leave obtains promotion, substantive or officiating, or an increase of pay or acting allowances which involves no change in or addition to his duties or responsibilities, the promotion or increase has effect at once. Otherwise the promotion of an absent officer has effect only from the date of his return to duty.

7. An officer who is discharged from, or resigns, the public service, and is re-employed after an interval, cannot, without the sanction of the Government of India, count his service prior to discharge towards leave after re-employment.

Exception.—An officer discharged from the Indian Navy on its abolition, who was subsequently re-employed in the public service, may count service in the Indian Navy towards leave after re-employment, notwithstanding the occurrence of an interval between his discharge from the Indian Navy and his first re-employment. Any leave taken by such officer while in the Indian Navy will be treated in calculating the leave due to him under this Rule, as if such leave had been taken under the Rules to which he became subject on re-employment.

8. If an officer who has obtained leave of absence makes over charge of his office before noon, his leave begins on and includes the day on which he makes over charge; otherwise it begins on and includes the following day.

CHAPTER IV.

Proviso.—Provided that, in making this calculation for an Uncovenanted Officer, only half of the active service rendered by him in offices other than those included in Schedule A shall be taken into account.

1. The whole of the active service rendered while officiating in any of the offices included in Schedule A is to be taken into account.

11. The amount of furlough "due" to an officer is the amount which he has earned, diminished by—

6. If an officer who is absent on leave obtains promotion, substantive or officiating, or an increase of pay or acting allowances which involves no change in or addition to his duties or responsibilities, the promotion or increase has effect at once. Exception.—An officer discharged from the Indian Navy on its abolition, who was subsequently re-employed in the public service, may count service in the Indian Navy towards leave after re-employment, notwithstanding the occurrence of an interval between his discharge from the Indian Navy and his first re-employment. Any leave taken by such officer while in the Indian Navy will be treated in calculating the leave due to him under this Rule, as if such leave had been taken under the Rules to which he became subject on re-employment.

14. Subject to the exigencies of the service, a Judge who has completed eleven months' continuous duty, inclusive of vacations, may, if the Government be satisfied that there is an urgent necessity, but not otherwise, be granted privilege leave for one month without deduction from his salary or acting allowances.

15. In the same manner and under the same conditions an additional month of privilege leave shall be held to accrue to a judge after each further period of eleven months' continuous duty.

16. Privilege leave shall not be taken in instalments; but any balance of privilege leave that may not have been taken shall be added to the next privilege leave which may accrue.

Provided that the whole privilege leave taken at any one time shall not exceed three months, and that any accumulation of privilege leave beyond that period shall be forfeited.

GENERAL.

17. Furlough and privilege leave shall not be taken as such, in continuation of each other; but if a Judge absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

18. Applications for leave shall in all cases be submitted in such manner as the Government may, from time to time, prescribe.

19. Leave allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

20. No substantive appointment shall be vacated, merely by reason of leave being granted under these rules.

21. If a Judge shall overstay any leave, he shall forfeit all salary during the time of his remaining so absent, and if he shall so continue absent for more than one week, his office shall be liable to become vacant.

22. No leave, except privilege leave and leave subsidiary to furlough, shall count as service for pension.

23. Each Judge who stood appointed to a High Court on the 7th August, 1869, and has taken no leave since then, shall, on the next occasion of his taking leave, be given the option of accepting these Rules or abiding by those in force before that date for Judges of the High Courts of Judicature. Any Judge who has taken leave since the 7th August 1869, must abide by the Rules he elected when taking that leave.

24. If a Judge, who is a Covenanted Civil Servant, shall be permitted to resign his office and remain in the service, all leave which he may have taken as a Judge of the High Court shall be reckoned as if it had been taken under the rules for the leave of absence of Covenanted Civil Servants.

25. The foregoing Rules regarding furlough and leave of absence, are applicable also to the following officers,

Judges of the Chief Court of the Punjab who are Barristers of England or Ireland or Members of the Faculty of Advocates of the Court of Session of Scotland.

The furlough due to a Bishop is the furlough which he has earned less the period during which he has been absent on furlough.

Absence on furlough, though not counting as duty, is not an interruption of duty within the meaning of this Rule.

7. To a Bishop who has been on duty without interruption for thirty-three calendar months, and who has not for twelve calendar months been absent on furlough, the whole or any part of the furlough due to him may be granted.

8. An Archdeacon or a Chaplain appointed to hold charge of a diocese during the absence of the Bishop upon furlough or upon leave on medical certificate is entitled to an allowance of Rs. 500 a month in addition to the pay of his substantive office.

SUPPLEMENT E.

CHAPLAINS.

PRELIMINARY.

1. The following Rules regulate the grant of leave to Chaplains.

2. In these Rules—

(*a*) "Active service" includes besides time spent on duty—

(1) Privilege leave of absence.
(2) Subsidiary leave of absence.
(3) Time passed in India out of employ, but not on leave.

(*b*) "Extraordinary leave" means leave of absence granted otherwise than under these rules.

(*c*) "Continuous service" and "continuous active service" mean the service and active service of a Chaplain since his last return from furlough or extraordinary leave lasting more than three months; or, if he have not had such leave, since the beginning of his active service.

No leave can be included in continuous service except privilege leave and special leave.

FURLOUGH.

3. The amount of furlough admissible to a Chaplain is limited to six years. All the Rules in this Supplement are subject to this limitation.

Furlough and leave with allowances on medical certificate under former Rules are counted as furlough under this Rule; but leave of absence in India taken before the 25th of August, 1854, is not.

4. (*a*) The amount of furlough "earned" by a Chaplain is one-fourth of his active service, and three months in addition thereto.

(*b*) The amount of furlough "due" to a Chaplain, is the amount which he has earned, diminished by—

(1) The amount of furlough which he has enjoyed under these or any former Rules.
(2) The excess over one year in the amount of leave with allowances on medical certificate which he has enjoyed under former Rules.

5. (*a*) To a Chaplain who has rendered three years' continuous service, furlough for not more than two years may be granted as follows:—

1 On medical certificate,—unconditionally;

Note.—Section 38 of the Code, Rules 2 to 9, apply generally to Chaplains also.

2 Without medical certificate,—subject to these provisos—

(1) That the furlough be due to him;
(2) That he have rendered seven years active service:
(3) That the whole number of chaplains absent on furlough and special leave do not exceed the limit appointed by the Government of India.

Note.—Except on medical certificate, or on very urgent private affairs, furlough or special leave may not be granted to Church of England Chaplains employed in the Diocese of Calcutta, if 15 per cent. of the whole number of such Chaplains are already absent on furlough or special leave. The Bishop of Calcutta will report to the Government of India when the limit is reached.

(*b*) Furlough taken under this Section may, on medical certificate, be extended to not more than three years.

(*c*) The furlough of a Chaplain is strictly limited to a period of three years at one time, and cannot be extended even without allowances. But the Secretary of State for India reserves to himself the power of allowing a Chaplain to remain in Europe beyond three years, should special and exceptional circumstances require a modification of this Rule.

6. (*a*) To a Chaplain who has not rendered three years' continuous service, furlough for not more than one year may be granted on medical certificate.

(*b*) Furlough granted under this section for less than one year may, on medical certificate, be extended to not more than one year.

7. A Chaplain on furlough is entitled to allowances as follows:—

	On ordinary furlough.	On other furlough.
Archdeacon, and the Senior Chaplain of the Church of Scotland	£600 a year	£480 a year.
Senior Chaplains	£500 „	£384 „
Junior Chaplains	£350 „	£300 „

Explanation.—Ordinary furlough includes—

(1) The first two years of each separate period of furlough under Section 5
(2) So much of furlough under Section 6 as may be due, provided that the Chaplain have rendered six months' continuous active service.

Note.—A Chaplain on furlough does not forfeit his past leave allowance by resigning the service without returning to India.

SPECIAL LEAVE OF ABSENCE.

8. Special leave on urgent private affairs may be granted at any time, for not more than six months:

Provided that a Chaplain, who has had special leave, must render six years' active service before he can again have such leave.

9. (*a*) For the first period of a Chaplain's special leave, he is entitled to the leave allowance admissible during ordinary furlough.

(*b*) In subsequent periods he is entitled to no leave allowance.

SUBSIDIARY LEAVE OF ABSENCE.

10. (*a*) Furlough and special leave, out of India, begin on, and include, the date of the departure of the vessel on which the Chaplain sails; and to a Chaplain taking such leave, subsidiary leave, not ordinarily exceeding thirty days, may be granted from the day on which he gives up duty to the day before that on which his furlough or special leave begins.

(*b*) Furlough and special leave, out of India, end on, and include, the day before the arrival of the vessel in which the Chaplain is; and to a Chaplain returning from such leave, subsidiary leave not ordinarily exceeding thirty days, may be granted from the day on which the vessel arrives, to the day before that on which he assumes the duty to which he may be appointed

Explanation.—A Chaplain may take furlough or special leave partly in, and partly out of India. But subsidiary leave is not admissible under Clause (*a*) of this Section, unless the furlough or special leave begins as furlough or special leave out of India; nor under Clause (*b*) unless it ends as furlough or special leave out of India.

11. A Chaplain on subsidiary leave is entitled to the same allowances as during the leave to which it is subsidiary.

PRIVILEGE LEAVE OF ABSENCE.

12. Privilege leave may be granted as follows:—

After five months' uninterrupted duty,—for not more than one month.

After ten months' uninterrupted duty,—for not more than two months.

Digitized by Google

After fifteen months' uninterrupted duty,—for not more than three months.

13. A Chaplain on privilege leave is entitled to the same pay and house-rent as if he were on duty.

MISCELLANEOUS.

14. The rules for—
(1) Extension and commutation of leave; and
(2) Payment of leave allowances;

are those contained in Sections 35 and 36 of the Code, and the rulings subjoined. But to a Chaplain going on furlough to England, an advance of the first quarter's allowances may be made, which advance is not recoverable in the event of his death.

15. Applications for leave are to be dealt with as the Governor-General in Council may from time to time prescribe; and priority of claim is determined in accordance with Section 39 of the Code.

SUPPLEMENT F.

UNCOVENANTED OFFICERS GENERALLY.

PRELIMINARY.

1. (*a*) Leave of absence from duty may be granted under the following Rules to officers who have substantive appointments on permanent establishments under the Government, and who are not entitled to leave under any of the other Rules in the Code or its Supplements.

(*b*) These Rules apply fully only to those whose pay is not less than one hundred rupees a month. But leave may be granted under them to an officer whether he be in superior or inferior service whose pay is less than one hundred rupees a month, so far as it can be done without imposing any cost upon the State. The absentee allowance of the substantive incumbent must not exceed what remains from the pay of the appointment after provision is made for the efficient discharge of his duties during his absence. No leave in excess of the leave admissible under these Rules may be granted to such an officer, with allowances, or counting as service for pension.

2. In these Rules, "pay" means substantive monthly pay; "salary" means the sum of monthly pay and acting allowance. Personal allowance is to be taken as part of an officer's substantive pay.

"Average salary" means the average salary for a month calculated for so much of the three years immediately preceding the day on which the officer gives up office, as he has passed on duty, or on privilege leave. But, whenever leave is taken for not more than one month, or, whenever the officer's pay is less than three hundred rupees, the pay of the officer's appointment at the time he gives up office is to be taken in lieu of his "average salary."

"Half average salary" is always subject to a maximum of Rs. 500 a month if paid in India, and £150 a quarter if paid at the Home treasury of the Government of India.

"One quarter average salary" is always subject to a maximum of Rs. 400 a month if paid in India, and £120 a quarter if paid at the Home treasury.

Provided always that the allowance of an officer during leave shall in no case exceed his actual salary when he takes leave.

LEAVE ON MEDICAL CERTIFICATE.

3. Leave on medical certificate may be granted, whenever sufficient cause is shown, for three years in all, but not for more than two years at one time; and no officer can have leave on medical certificate out of India more than twice.

4. An officer on leave under Section 3 is entitled to half of his average salary for the first fifteen months of each period of absence, but not for more than thirty months in all.

For the rest of his leave under Section 3 he is entitled to a quarter of his average salary.

LEAVE ON PRIVATE AFFAIRS.

5. Leave on private affairs for six months at a time may be granted to an officer who has not had furlough. The first leave under this section may be taken after six years' service, and the leave may be repeated after intervals of six years.

(1) Leave on private affairs does not accumulate, nor can it be taken in instalments.

(2) Leave on Medical Certificate counts as service for leave on private affairs.

6. An officer on leave under Section 5 is entitled to half of his average salary.

(1) An Officer does not forfeit the allowance to which he is entitled under this Section by resigning the service at the end of the leave.

FURLOUGH.

7. Furlough may be granted as follows to an officer who has not had leave on private affairs:—

After ten years' service, one year or any less period, and thereafter at intervals of not less than eight years, one year or any less period.

Or,—after eighteen years' service, two years or any less period, and thereafter at intervals of not less than eight years, one year or any less period.

Provided that not more than two years in all may be granted.

(1) Leave on Medical Certificate counts as service for furlough.

(2) Leave on private affairs under the Rules in force before the 8th June 1863 does not prevent the grant of furlough under this Section.

8 An officer on furlough is entitled to half of his average salary.

LEAVE WITHOUT ALLOWANCES.

9. Leave without allowances may, in cases of necessity, be granted for such time as may be necessary. Time spent on leave under this section does not count as service for other leave. There is no limit to the length or frequency of leave under this Section, and it may be granted in continuation of leave on medical certificate and leave on private affairs, or furlough, but not in continuation of privilege leave.

Note.—Leave under this Section is extraordinary leave.

SUBSIDIARY LEAVE.

10. Subsidiary leave for such time as may be sufficient may be added to leave on medical certificate, leave on private affairs, or furlough, when taken out of India, as prescribed in Section 24 of the Code. Fourteen days only are allowed to an officer at a Presidency town, who takes leave on medical certificate, leave on private affairs, or furlough out of India, and embarks or debarks, as the case may be, at this town. Subsidiary leave may also be granted to an officer going on, or returning from, leave on medical certificate to a sanitarium in India.

11. An officer on subsidiary leave prefixed to other leave, is entitled to half his average salary. An officer on subsidiary leave following other leave, is entitled to half his average salary, or one quarter of his average salary, according to the rate of allowance to which he may be entitled at the end of the leave to which it is subsidiary.

PRIVILEGE LEAVE.

12. Privilege leave may be granted in accordance with the rules in Chapter VII. of the Code: provided that no officer whose salary is less than two hundred rupees a month can draw any allowances for time passed on privilege leave until he returns to duty.

EXAMINATION LEAVE.

13. An officer permitted to present himself at any

Digitized by Google

examination which must be passed before a person is eligible for a higher subordinate appointment, such as a Deputy-Magistracy, may, under the orders of the Local Government, be allowed leave of absence for the number of days which is actually necessary to enable him to attend at the examination. During this absence, which is expected to be short, no deduction will be made from the officer's allowances, unless the head of the office finds such deduction necessary to enable him to make arrangements for carrying on the work. Such leave should not be allowed more than twice for each standard of examination.

14. The master of a Government school in Bengal in receipt of a salary not exceeding two hundred rupees a month while absent from his office with the object of studying to qualify himself as a teacher of surveying, is considered to be absent on duty or on special deputation, provided that such period of absence shall not exceed three months.

GENERAL.

15. Leave on private affairs and furlough cannot be taken in continuation of any leave except subsidiary leave; but any leave may be retrospectively changed for any other kind or amount of leave which might at first have been granted; and, if an officer absent on privilege leave, or on leave on private affairs, or on furlough, take extension of leave on medical certificate, the whole of the absence will be treated as leave on medical certificate.

(1) Leave without allowances cannot be converted retrospectively into leave on Medical Certificate, but leave on Medical Certificate may be given in continuation of leave without allowances.

16. No officer's appointment becomes vacant, simply by reason of his taking leave under these Rules. But absence without leave, or after the end of leave (excepting privilege leave, in which case a week's grace is allowed) involves loss of appointment; and after five years' continuous absence, whether with or without leave, an officer is considered to be out of Government employ.

APPLICATIONS FOR LEAVE.

17. (*a*) Leave may be granted to an officer by the authority whose duty it would be to fill up his appointment if vacant. The Local Government may empower heads of Departments to grant privilege leave to officers under their orders, who are appointed by Government; but if the officer, to whom leave is granted, be a gazetted officer, the grant of leave must be reported to the Local Government.

SUPPLEMENT G.

PORT BLAIR POLICE.

I. Privilege leave to the men may be granted as under:—

2 months after 30 months' consecutive service.
3 ,, ,, 36 ,, ,, ,,

Such leave cannot be claimed as a right, and will only be granted when it can be given without inconvenience to the public service.

During privilege leave full pay is admissible.

II. Sick leave on full pay is granted for fifteen days, after which the men will receive subsistence as under:—

Constables	Rs.	6 per mensem
Serjeants	,,	10 ,,
Chief Constables	,,	15 ,,
Inspectors...	Two-thirds of salary.	

III. Furlough to unmarried men, or men whose families will remain at their homes in India, will be given in turn after five years' continuous service in the Settlement.

Furlough will also be given, in special cases, at the discretion of the Superintendent, to married men having their families at the Settlement, after a continuous service of not less than five years.

IV. Such furlough will carry with it half-pay, and will be for periods of from four to six months, according to the distance of the applicant's home from Calcutta.

V. Leave-men proceeding to India will be employed, ordinarily, on the voyage in guarding transferred convicts, and when not required for the purpose they will be granted deck passages at the expense of the Government.

VI. From the port of debarkation they will proceed to their homes at their own expense, and on the expiration of their furlough they will report themselves to the Commissioner of Police, Calcutta, with a view to their employment as convict guards on the return voyage. If not required for this purpose, they will be granted a deck passage at the public expense.

VII. The total number of men on leave at one time from all causes other than privilege leave shall not exceed ten per cent. of the Force.

VIII. Absence without leave is punishable by dismissal or forfeiture of pay.

EXTRACTS FROM THE CIVIL PENSION CODE, SHOWING THE CHIEF RULES APPLICABLE TO UNCOVENANTED SERVANTS IN THE SUPERIOR DEPARTMENTS OF GOVERNMENT IN INDIA, TOGETHER WITH AN ABSTRACT OF ITS VARIOUS SUPPLEMENTS.

2. The Rules in this Code and its Supplements apply to all public officers, except the following, who are under Military Rules:—

(*a*) Officers and men in the Army or in the Navy (including Covenanted Medical Officers).
(*b*) Officers of the Subordinate Medical Department.

3. The general provisions of the Code do not apply to the undermentioned officers, whose pensions are regulated by the special Rules contained in the Supplements.

(*a*) Officers of the Covenanted Civil Service.
(*b*) Judges of the High Courts of Judicature.
(*c*) Chaplains.
(*d*) Members of the Bengal Pilot Service.

5. An officer's claim to pension or gratuity is governed by the Rules in force at the time when he resigns or is discharged from the service of Government. No officer has a claim to a benefit granted after his resignation or discharge.

7. An officer cannot earn two pensions or gratuities

Digitized by Google

in the same office at the same time, or by the same continuous service.

11. Service under a covenant which contains no stipulation regarding pension or gratuity does not qualify, unless the Government of India specially permits it to qualify.

19. Service qualifies only if the officer holds a substantive office on a permanent establishment.

2. An officer officiating in an office which is vacant, or of which the permanent incumbent does not draw any part of the pay, may, if he is confirmed without break of continuity, and if the permanent incumbent is not at the time counting service in the office for pension, count service as if he had held the office substantively.

44. Periods of absence on leave other than privilege or subsidiary leave are not reckoned as service. Leave subsidiary to leave on medical certificate is not reckoned as service in the case of an officer who has twice before had leave on medical certificate beyond India.

Exception.—In the case of an officer appointed to the service under the Regulations of the Royal Indian Engineering College, at Cooper's Hill, and of an officer especially educated in Europe for the Forest Department under Regulations made by the Secretary of State, furlough to the following extent counts as service:—

Service from date of appointment.	*Furlough counts as service.*
Under 20 years	None
20 years	2 years
25 ,, ...	3 ,,
30 ,, ...	4 ,,
35 ,, ...	5 ,,

47. A break in the continuity of service entails forfeiture of past service, except in the following cases:

(*a*) Authorised leave.

(*b*) Absence prolonged after the end of leave: provided that if an officer remains absent for more than a week after the end of privilege leave, his past services are forfeited, unless the authority whose duty it is to make the appointment re-appoints the officer, and makes a declaration (to be communicated to the Accountant-General) that his past services, or part of them, shall qualify. If he remains absent for more than a month, his past services cannot count without a special order by the Government of India.

(*c*) Suspension immediately followed by re-instatement, which need not necessarily be to the same office.

(*d*) Abolition of office.

(*e*) Transfer to non-qualifying service in an establishment which is under Government control. The transfer must be made by an authority competent to sanction it: and an officer who voluntarily resigns qualifying service, cannot claim the benefit of this Rule. Transfer to a grant-in-aid school always entails forfeiture.

(*f*) Transfer to service on the Household Establishment of the Viceroy.

(*g*) Loss of appointment owing to the Mutiny, provided that the officer affected cleared his character and was re-appointed as soon as a suitable vacancy was found for him.

(*h*) Transit from one appointment to another provided that the officer is transferred under the orders of competent authority, or if he is a Ministerial Officer, with the consent of the heads of both offices concerned.

48. Resignation of the public service, or removal from it on account of misconduct, or for inefficiency, or on account of failure to pass a prescribed examination, entails forfeiture of past service.

49. Pensions and gratuities are of four classes:

(*a*) Compensation pensions and gratuities.
(*b*) Invalid pensions and gratuities.
(*c*) Superannuation pensions and gratuities.
(*d*) Retiring pensions.

(1) Pension or gratuity may not be granted to an officer whom it is desired to remove for misconduct or inefficiency.
(2) A gratuity is paid in a single sum, and not by instalments.
(3) An officer may be admitted to pension or gratuity while absent on leave, whether in or out of India.

50. A compensation pension or gratuity is awarded to an officer discharged from the public service because, on a reduction of establishment, his appointment is abolished.

Note.—A gratuity is intended to be less valuable than a pension, and must not be awarded if it is likely to impose upon the State a higher charge than would arise from a pension.

52. An invalid pension or gratuity is awarded on retirement from the public service to an officer who, by bodily or mental infirmity, is permanently incapacitated—

(*a*) For the public service, or
(*b*) For the particular branch of it to which he belongs.

53. If the officer applying for pension or gratuity is sixty years old or upwards, no certificate by a Medical officer is necessary. It will suffice for the head of the office to certify to the incapacity of the applicant.

55. If the incapacity is the result of irregular or intemperate habits, no pension or gratuity can be granted. Otherwise, it is for the Local Government to decide whether the officer's incapacity is such as to render it necessary to admit him to invalid pension or gratuity.

56. A superannuation pension or gratuity is granted to an officer compelled, by rule, to retire at a particular age.

An officer in a superior grade who has attained the age of fifty-five years may be required to retire, unless the Local Government considers him efficient, and permits him to remain in the service.

57. A retiring pension is granted to an officer who voluntarily retires after completing the requisite period of service.

58. The amount of pension or gratuity that may be granted is determined by length of service, as set forth in Sections 59, 60, and 61.

(1) An officer entitled to pension may not take a gratuity instead of pension.
(2) A pension or a gratuity (except a pension granted under Section 64) is fixed in rupees, and not in sterling money, even though it is to be paid in Europe.

59. The amount of compensation and invalid pension and gratuity which may be granted, is as follows:—

(*a*) After a service of less than fifteen years—
A gratuity not exceeding (except in special cases and under the orders of the Government of India) one month's emoluments for each completed year of service; and not, under any circumstances, exceeding twelve months' emoluments in all.

Broken periods of a year are not to be taken into account in calculating the amount of any gratuity admissible to an officer under any Rule in the Code.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing Authority upon the matters therein contained.

Given at Our Court at Windsor, this Sixteenth day of January, 1861, in the Twenty-fourth year of Our Reign, By Her Majesty's Command, (Signed) CHARLES WOOD.

CONDITIONS OF APPOINTMENT OF BRITISH OFFICERS TO THE STAFF CORPS.

Unless for special applicants, whose cases will receive separate consideration, each on its own merits, it is deemed inexpedient to admit Officers of Her Majesty's British Army to the Staff Corps, whose standing in the service exceeds seven years, or thereabouts.

The selection of Officers for the Staff Corps rests with the Governments in India. The promotion of Officers while on probation will go on in their respective regiments. Officers of the British Army, when permanently transferred to the Staff Corps, will be removed from the strength of the regiment to which they belonged. It is discretional with the Governments in India to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several departments rest with the Governments in India, and will be made irrespectively of the rank which the Officers may hold in the Staff Corps.

Officers of British regiments which may be ordered home and embark before the completion of their period of probation may, with the sanction of the Government of the Presidency, be allowed to remain in India to complete that period.

Officers of Her Majesty's British Regiments are eligible for appointment to the Staff Corps of any Presidency, without reference to the Presidency in which their regiments may be serving, and they will be permitted to serve out their probation without reference to their regiments being in the meantime moved to another Presidency.

Application for admission to the Staff Corps, on probation, should be made to the Government, through, and with the sanction of, the Commander-in-Chief of the Presidency, and that of the Commander-in-Chief in India.

A candidate for appointment to the Staff Corps, on probation, must produce the following certificates of his Commanding Officer and the Surgeon:

Station and date. *Commanding Regiment.*

Surgeon's Certificate.

I certify that, to the best of my belief, is in good bodily health, and apparently well capable of undergoing the vicissitudes of service in India.

Station and date. *Surgeon Regiment.*

The date of transfer of an Officer to the Staff Corps will be that of his appointment on probation, except in the case of an Officer who has gained promotion in his regiment during his period of probation; in that case, he is allowed to enter the Staff Corps from the day following his promotion, with the rank then gained.

Except under very special circumstances, the period of probation will be limited to one year,† at the end of which the candidate, if not qualified for admission to the Staff Corps, must be remanded to his regiment; and should his regiment be in England, he will be put on British pay from the date of failing to pass the final examination. If possible, he will be provided with a passage in a troop ship, but if none be available, then the actual expense of the passage, and no more, will be paid to the agent of the vessel conveying the Officer to England. In no case will the period of probation exceed a second twelve months.

---

* See page xxxiv.

† All leave, except privilege leave and leave to pass in the Native languages for admission to the Staff Corps will be excluded from the year's probation.

A British Officer, on probation for the Staff Corps, proceeding on leave to Europe, is to be held to have resigned his probationary position and appointment. Should an Officer so circumstanced be placed on the half-pay list, he will cease to be considered as a probationer.

A probationer for the Staff Corps may at any time be allowed to withdraw his application, provided that he has not been actually admitted to that Corps by the Government in India.

As a general rule, a young Officer, on becoming a probationer, is appointed to do duty with a Native regiment.

On the completion of the year's probation, the candidate must produce certificates from his Commanding Officer (or the Officer under whom he has served) and from the Surgeon, similar to those obtained at the commencement of his probation; and he must pass an examination in the following tests, according to the nature of the duty or department in which he is to be employed.

On special grounds, but only when required for the convenience of the public service, examinations may be held at any time within two months of the expiration of the probationary year.

Should he be found qualified, he will be admitted to the Staff Corps, and to the appointment or department for which he has proved his fitness. The circumstance of an Officer being in the Staff Corps will not exempt him from passing departmental tests, should he be transferred from one appointment or department to another.

Officers of Line Regiments, in which the purchase system was in force up to the 31st October, 1871, who entered the service prior to the 26th August, 1871, and whose permanent appointment to the Indian Staff Corps shall appear in the General Orders of one of the Local Governments of India, on a date subsequent to the 15th March, 1868, and who, on the date of such permanent appointment (being the date of appointment as probationers for the Staff Corps), shall not have exceeded four years' service on full pay, from the date of first Commission, shall receive, on their names appearing in the "London Gazette" as finally transferred to the Staff Corps, the exact sum such Officers would have received, under War Office Regulations, had they retired from the service by the sale of their Commissions at the time of joining the Staff Corps as probationers.

Officers who have been appointed probationers subsequent to the 31st October, 1871, will be required to make and sign the declaration laid down in para. "C," clause 139, sec. 4 of the Queen's Regulations.

The young Officers who, on final transfer to the Staff Corps, may receive the value of their commissions, will, if appointed probationers on or after the 1st of July, 1870, be debited with the cost of their successors' passage to India, in the same manner as other Officers who are allowed to retire from British Regiments in India with the value of their commissions.

Officers who are entitled to the value of their first commissions should apply for it to the agents of the regiment to which they formerly belonged.

Officers who desire to enter the Staff Corps under the provisions of the General Order from the Horse Guards, dated the 1st of May, 1868, must make their applications in such time as will admit of the requisite forms being complied with before the completion of their four years' service, as the Government cannot be responsible for any accidental delay, and applications for special consideration will not be received hereafter.

Officers joining the Staff Corps from the British Army must furnish a statement of their services duly vouched by their late Commanding Officers, showing in detail their actual service in India, and the periods of leave during such service, completed to the date of their transfer to the Staff Corps.

No Officers while away from their regiments as probationers for the Indian Staff Corps shall be permitted to retire from the service by the sale of their commissions, but such officers will still be eligible for such promotion in their regiments as may occur whilst they are probationers by or without purchase.

The claims to pension of widows and families of officers of the Staff Corps who may join from the British Army will be treated under the provisions of the Royal Warrant of the 27th December, 1870, or of such Royal Warrant regulating the grant of pensions to the widows and families of British officers as may be in force at the time being.

Declaration to be submitted.

2. They must subscribe and send in to the Military Secretary, India Office, Westminster, *so as to reach that address at least a fortnight before the date fixed for the Examination*, a declaration according to the annexed form.

3. This declaration must be accompanied by the following documents:—

(*c*) *A certificate of registration* in accordance with the Medical Act of 1858, of the degrees, diplomas, and licenses possessed by the candidate.

Physical Examination.

4. The physical fitness of candidates will be determined previous to examination by a Board of Medical Officers, who are required to certify that the candidate's vision is sufficiently good to enable him to perform any surgical operation without the aid of glasses. A moderate degree of myopia would not be considered a disqualification, provided it did not necessitate the use of glasses during the performance of operations, and that no organic disease of the eyes existed. Every candidate must also be free from organic disease of other organs, and from constitutional weakness, or other disability likely to unfit him for military service in India.

Subjects for Examination.

5. On producing the foregoing qualifications, the candidate will be examined by the Examining Board in the following compulsory subjects, and the highest number of marks attainable will be distributed as follows:—

	Marks.
a. Anatomy and Physiology	1,000
b. Surgery	1,000
c. Medicine, including Therapeutics, the Diseases of women and children ...	1,000
d. Chemistry and Pharmacy, and a practical knowledge of Drugs	100

(The examination in medicine and surgery will be in part practical, and will include operations on the dead body, the application of surgical apparatus, and the examination of medical and surgical patients at the bedside.)

Voluntary Examination.

7. Candidates, who desire it, will be examined in French, German, and Hindustani, Comparative Anatomy, Zoology, Natural Philosophy, Physical Geography, and Botany, with special reference to Materia Medica.

8. The number of marks gained in these subjects will be added to the total number of marks obtained in the obligatory part of the examination by candidates who shall have been found qualified for admission, and whose position on the list of successful competitors will thus be improved in proportion to their knowledge of modern languages and natural sciences.

9. The maximum number of marks allotted to the voluntary subjects will be as follows:—

	Marks.
French, German, and Hindustani (150 each)	450
Natural Science	300

10. The subjects for this part of the examination will be taken from the following books:—

Lindley's "School Botany," Lindley's "Medical and Economic Botany," Henfrey's "Elementary Course of Botany."
"Elements of Natural Philosophy," by Golding Bird and C. Brooks, "Physical Geography," by Mrs. Somerville

11. The Examiners in London will prepare a list in order of merit, with the marks affixed in the different subjects, to be transmitted to the Director-General and communicated to the Professors of the Army Medical School. If any Candidate is found to be deficient in any particular subject, this shall be stated, in order that he may receive special instruction on the point at Netley.

Course at Netley.

12. After passing his preliminary examination, candidates will be required to attend one entire course of practical instruction at the Army Medical School, before being admitted to examination for a commission, on—

(1) Hygiène.

(4) Pathology of Diseases and Injuries incident to Military Service.

These courses are to be of not less than four months' duration; but candidates who have already gone through a course at Netley as candidates for the Army or Navy Medical Service may, if thought desirable, be exempted from attending the school a second time.

Pay while at Netley.

13. During the period of his residence at the Army Medical School, each candidate will receive an allowance of 5*s* per diem, with quarters, or 7*s*. per diem without quarters, to cover all costs of maintenance; and he will be required to provide himself with uniform (viz., the regulation undress uniform of a Surgeon of the British service, but without the sword).

Uniform while at Netley.

Examination at Netley.

14. All candidates will be required to conform to such rules of discipline as the Senate may, from time to time, enact.

Digitized by Google

15. At the conclusion of the course, candidates will be required to pass an examination on the subjects taught in the school. The examination will be conducted by the professors of the school.

The Director-General, or any medical officer deputed by him, may be present and take part in the examination. If the candidate gives satisfactory evidence of being qualified for the practical duties of an Army Medical Officer, he will be eligible for a commission as Surgeon. Position on List of Surgeons how determined.

16. The position of the candidates on the list of Surgeons will be determined by the combined results of the preliminary and of the final examinations, and, so far as the requirements of the service will permit, they will have the choice of Presidency in India, according to their position in that list.

India Office, May, 1876.

N.B. The examinations for admission to the Indian Medical Service will usually take place twice a year, viz., in February and in August.

Rules approved in Despatch to Government of India, No. 82, dated 24th March, 1875.

8. The examination for promotion may be taken at any time after the Surgeon has served nine or more years.

9. When Surgeons have served the requisite time, they will be examined in the following manner:—

A series of printed questions prepared by an examining board, consisting of the Principal of the Medical College and any two or more of the professors he may associate with himself for the purpose, will be sealed and sent by the Surgeon-General to the principal medical officers of stations where Surgeons may be eligible for examination. It will be the duty of the principal medical officer of the station to deliver these sealed questions to the Surgeons, and to see that they are answered without the assistance of books, notes, or communication with any other person. The answers are to be signed and delivered, sealed, to the Principal Medical Officer, who is to send them, unopened, to the Surgeon-General, together with a declaration from the Surgeon himself, or certificate from a superior medical officer, if there is one, that he has availed himself of every opportunity of practising surgical operations on the dead body.*

10. The Surgeon is also required to transmit together with his answers to the Surgeon-General a medico-topographical account of the station where he may happen to be at the time, or of some other station where he may have been resident sufficiently long to enable him to collect the necessary information for such a report. Failing this, he will send a medico-statistical report of his charge for a period of at least twelve months.

11. If the examining board is satisfied with the replies to the questions, and the Surgeon-General is satisfied with the certificates and with the medico-topographical or statistical report, the Surgeon will be held qualified for promotion.

Royal Warrant, 10th May, 1873, clause 4.

12. All promotion from the rank of Surgeon-Major to that of Deputy Surgeon-General, and from the rank of Deputy Surgeon-General to that of Surgeon-General, is given by selection for ability and merit.

FAMILY PENSIONS.

39. The claims to pension of widows and families of Medical Officers shall be treated under the provisions of such Royal Warrant regulating the grant of pensions to the widows and families of British Officers as may be in force at the time being. (The Royal Warrant of 27th December, 1870, is the one now in force.)

Family Pension Fund Regulations.

40. The widows and families of Medical Officers are also entitled to pensions from the Indian Service Family Pension Fund, to which all Surgeons must, as a condition of their appointment, subscribe from the date of their arrival in India.

MILITARY FURLOUGH REGULATIONS OF 1796.

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 53 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for ser-

vice to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only he granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for and preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extension of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years in the discharge of he duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1855–57) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate, and not more will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years: out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

Years.	Months.				
1	8	in 17 & under 20	years'	service	
2	0	in 20	,,	25	,,
3	0	in 25	,,	30	,,
4	0	in 30	,,	35	,,
5	0	in 35	,,	38	,,
6	0	in 38 years' service.			

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

INDIAN MILITARY FURLOUGH RULES OF 1868.

FURLOUGH.

The following General Order by the Government of India, dated 25th February, 1874, No. 171, is republished:—

"No. 171 of 1874.—The Furlough Rules of 1868, as revised by various subsequent decisions, are republished for general information; and in future this General Order shall ordinarily be referred to in any matter depending on those rules. The rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

The following G. G. O. are cancelled prospectively from the 1st January, 1875:—

G. G. O. No. 630 of 1869 (1st clause).
G. G. O. No. 627 of 1870.
G. G. O. No. 613 of 1871.

2. These rules are applicable to all officers who, on the 1st July, 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them: officers of the British Army who entered the Staff Corps after that date are of course subject to them.

Rules apply to Officers of Staff Corps and Indian Army.

In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances they are also applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

Also to Officers of R. A. and R. E., late of Indian Army, when holding permanent non-regimental appointments.

But should an officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

3. These rules are not applicable to officers on the Invalid or Invalid Pension Establishment, even if previous to their transfer they should have elected them, being intended solely for officers on the effective list.

Do not apply to Invalid Officers.

4. They are not applicable to Regimental Officers generally of the British Service, whether formerly belonging to the Indian Army, and now in the Royal Artillery, Royal Engineers, and new Line Regiments, or on the old Line Establishment: nor are they applicable to officers of the British Army holding staff appointments the tenure of which is limited to five years, except in the sense in which the rules of 1854 were made applicable, viz., as regulating the amount of absentee allowance to be granted to such officers holding staff appointments, when they are absent on furlough on medical certificate

Nor to Regimental Officers of the British Service, even though formerly of Indian Army.

Only partially to Officers of the British Service holding 5-year appointments.

Digitized by Google

Do not apply to Officers of the British Medical Staff.

Officers of the British Medical Staff are not entitled to this advantage.

Apply to R. E. Officers on the Imperial list, holding permanent non-regimental staff appointments.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

These officers, therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

Pay allowed them during furlough.

The English rate of pay of his rank only will be passed to such an officer during this leave; but on his return to India for a second tour of service the difference between that pay and "Furlough Pay" will be admitted to him; and if he should not return to India, his passage money to England will be paid to him.

Rules apply to R. E. Officers of the Imperial list on the fixed staff establishments of Sappers and Miners.

Royal Engineer Officers on the Imperial Establishment, who are merely doing duty with, or attached to, the Sappers and Miners but not on the fixed establishment and drawing staff salary, will in regard to these rules, be on the footing of Regimental Officers of the British Service—see preceding paragraph. If, however, they afterwards accept staff employ, they also will count their service for furlough from date of arrival in India.

Previous service of Officers of the British Service who join Staff Corps, how reckoned towards furlough.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

Rules apply to Warrant Officers with Hony. Commissions.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them: the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will

Their pay.

receive during furlough half their total receipts, calculated as laid down in Rule V., but without any reference to a minimum or maximum rate.

Warrant Officers without Commissions can take furlough on medical certificate only, under these rules.

Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.

Such furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years) or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note to para. 9.]

Warrant Officers who were so before 19th February, 1869, to elect on first applying for leave.

8. Every Warrant Officer who attained warrant rank before the 19th February, 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O. Nos. 518 and 531 of 1854, G. G. O. No. 1559 of 1857, and subsequent orders. That election will be considered final.

Those who became Warrant Officers after 19th February, 1869, are subject to these rules, and cannot elect any of the previous rules.

Leave on medical certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796 is not in any case admissible to a Warrant Officer.

Rules apply to Medical as to other Warrant Officers.

These rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

Meaning of "Furlough Pay" and "English Furlough Pay."

9. The term "Furlough Pay" having now a changed and twofold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits specified in paragraph 5 of these rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.

"English Furlough Pay" of Warrant Officers.

NOTE.—Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted, the rates laid down in paragraph 11 of G. G. O. No 69, dated 22nd January, 1868, and (for Medical Warrant Officers) paragraph 22 of G. G. O. No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

RULES.

Assimilation of allowances on furlough on private affairs and medical certificate.

I.—The distinction with respect to allowances which has been hitherto drawn between furlough on private affairs and sick leave, is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

Certain officers retain appointments during all leave duly granted.

II.* Officers can retain their appointments during *all* leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 70;* but an absentee cannot retain his appointment and draw absentee allowances, except under the rules now prescribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their Commands.

Absence from India for more than 5 years bars return to duty as formerly.

IV.—Leave of absence will in future be of three kinds, viz.:—

I.—Furlough in or out of India.
II.—General leave on private affairs or sick certificate in India, or short leave to sea.
III.—Privilege leave.

CHAPTER I.

Furlough.

V.—An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.

Furlough pay, how reckoned.

But an officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary during the three years prior to his proceeding on furlough, or during his actual service in India should that be less than three years; and the time spent and the allowances drawn during any leave "other than privilege leave," will be omitted in the calculation of average salary.

No absentee shall in either case draw more than £1,000, or less than £250 per annum.

The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay, or staff allowances in addition to pay, but will not include any extra or special allowances. But in the case of a military officer in civil employ, his acting allowances shall be taken into account as a part of his salary in calculating his furlough pay.

Meaning of term "Salary."

§ 2. An officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This furlough pay will be continued to an officer in military employ after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

Pay of Officers transferred to other appointments during furlough.

But an officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below, in § 4. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the officer may have been employed. An officer will also be entitled to the benefit of his promotion to a higher Staff Corps or regimental rank, whilst on furlough, subject to the maximum limit.

Pay when the appointment lapses, or is vacated during furlough.

Pay of officers promoted during furlough.

§ 3. Officers holding regimental medical charges will be allowed to retain such charges during the authorized periods of furlough, as if they were medical staff appointments. And the difference between the unemployed* grade pay of the officer holding the substantive charge and the consolidated salary of the charge will be considered the staff salary divisible between the absentee and the officer officiating for him.

Regimental medical charges retained during furlough.

G. G. O. No. 370 *of* 4*th April*, 1867, *para.* 9.

The staff salary how divided.

§ 4. Officers not in staff employ will receive half the Indian pay of their rank, provided that an officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.

Minimum furlough pay.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI.—All grants of furlough on private affairs are subject to the exigencies of the public service,—of which exigency the Government is to be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

All furlough on private affairs subject to the exigencies of the service.

NOTE.—It is therefore within the competency of local Governments and of the Commander-in-Chief to decline to forward the application of any officer whose absence would, in their opinion, be detrimental to the interests of the public service, until such time as arrangements can be made for removing the difficulty; and it is the duty of every head of a department to

Applications of officers who cannot be spared need not be forwarded.

* The section referred to is quoted below:—

Section 70.—"And be it further enacted that no person who shall have held any civil or military station whatever in *India*, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from *India* by leave of the Governor-General in Council, shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in *India*, either in the *European* or Native Corps of Troops or in the civil line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or, unless such person be permitted to return with his rank to *India*, by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the Board of Commissioners for the affairs of *India* that such absence was occasioned by sickness or infirmity, or some inevitable accident."

decline to forward any application for furlough, whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

Furlough on private affairs limited to two years at one time.
Extensions of such furlough.

VII.—The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years: any extension of such furlough will be without pay unless it is on medical certificate, see Rule XIII. (But see Notes (3) and (4) Rule IX.) And no extension on private affairs beyond two years will be granted, though without pay, except upon satisfactory evidence of very urgent necessity.

Three years' service to intervene between two furloughs.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer in civil employ, *ordinary furlough not exceeding three months*) must be completed before furlough can again be taken, unless obtained under medical certificate (see Rules XIII. and XIV. and Note 3 of Rule IX.).

Exception in cases of officers ordered out on field service.

But an officer who may be *ordered* to return to duty before the completion of his furlough for the purpose of proceeding on field service may be allowed to take the balance of such furlough at any time.

NOTE.—An officer in civil employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on privilege leave.

Period of service qualifying for furlough.

IX.—An officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see para. 6 of this order); for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years, and so on, up to the maximum prescribed in Rule XVI The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules VI. and VII. But see notes to this Rule.

Furlough without pay *not reckoned as "furlough taken."*

§ 2 * Leave granted under these Rules, without furlough pay, will not reckon as furlough already taken in calculating the balance at an officer's credit, or as part of the total of eight years allowed as shown in Rule XVI, but all furlough with furlough pay, whether on private affairs or on medical certificate, taken under these Rules, will so reckon.

How far previous furlough bars furlough on private affairs.

§ 3.* Furlough and leave previously taken under the Rules of 1796 or 1854 will count, as respects officers who have elected these Rules, as follows:—

Furlough on private affairs, with pay, taken under the Rules of 1796 or 1854, counts in all respects as furlough.

Leave on sick certificate, under the Rules of 1796, does not count in any respect as furlough.

Leave on sick certificate, with pay, under the Rules of 1854, counts as part of the maximum of eight years allowed under these Rules, but until the maximum thus made up be reached, this leave will not count as furlough already taked in determining the amount of furlough to which an officer is entitled.

Leave without pay under the Rules either of 1796 or 1854, does not count in any respects as furlough.

Service on duty *in England, how reckoned.*

§ 4. If an officer appointed to any *duty* in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment as service towards furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

Furlough on medical certificate when on furlough pay.

NOTE (1).—But an officer of less than eight years' service in India may obtain furlough not exceeding two years, on medical certificate, with furlough pay and retention of appointment, provided he has been three years in the Staff Corps, or—in the case of a Royal Engineer officer holding a permanent staff appointment, or an officer not in the Staff Corps—has served three years in India.

Furlough on medical certificate when on English furlough pay.

NOTE (2.)—If the officer has not been three years in the Staff Corps or served three years in India, as the case may be, he will receive "English furlough pay" only, and must vacate his appointment, unless entitled to retain it under Rule II.

This rule and the provisions in Note 1, however, are not applicable to officers of the Indian Army who entered the new Line Regiments, or Royal Artillery, and subsequently the Staff Corps.

General Officers exempted from certain rules.

NOTE 3). Unemployed General Officers of the Staff Corps or local service can be granted furlough without serving the intervals of three and six years, respectively, prescribed in Rules VIII. and IX., and they can remain in Europe after they have exhausted the full period of furlough allowed during an officer's service by Rule XVI. (eight years on the whole) on the English furlough pay of their rank.

NOTE 4).—And a Major-General of the Staff Corps - if he has so much furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—can continue, after the expiration of the two years' furlough to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

Furlough may be taken by instalments.

X.—An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

Illustrations.

Furlough at credit, how determined.

1. An officer who has served nine years in India is entitled to two years' furlough: he takes only one year, and after his return remains in India for five years.

He is then eligible for two years' furlough as follows:—

Total service in India	14 years.
Furlough due on that service	3 ,,
Furlough already taken	1 year.
Balance for which he is eligible	2 years.

* As modified in G. G. O. No. 197 of 1st March, 1877.

2. An officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

NOTE.—An officer is said to have furlough at his credit,—even though he may not be able to obtain it owing to the number of absentees, or other causes,—when the calculation of his service, as in illustration 1 above, shows a "balance for which he is eligible."

Furlough on urgent private affairs when granted.

* XI.—Furlough on urgent private affairs for six months on pay equivalent to the British regimental pay of his rank, may be granted when the officer has less than six months' furlough at his credit, or when from other causes, *e.g.* the number of absentees, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX., and also—except in the case of an officer in civil employ, see Rule VIII. note—of the three years which are required to intervene between two periods of furlough by Rule VIII.

Extended beyond six months only on medical certificate, when its advantages are lost.

This leave cannot be given in extension of furlough of any description. It cannot be extended beyond six months unless on medical certificate and on the same pay; in which case the officer will be deemed to have vacated his appointment, unless entitled to retain it under Rule II.; the whole period will be reckoned in the maximum amount of furlough (8 years) allowed by Rule XVI., and no portion of it can form any part of the periods referred to in Rules VIII. and IX.

NOTE.—Ill-health is not considered as warranting furlough under this rule to any officer who under the provisions of these rules can obtain furlough on medical certificate without forfeiting his appointment.

Special permission needed for change of residence from England to India and vice versâ during furlough.

XII.—Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough. But, if he desires to spend in England the rest of a "furlough in India," or *vice versâ*, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An officer who, on his return to India, reports his debarkation, without forwarding *at once* a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

Reports, &c., required.

Consequence of extension of furlough on medical certificate over two years.

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX. and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on "English furlough pay;" and an officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

If he exceeds three years' absence on medical certificate, the officer may have to retire or go on half-pay.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half pay list.

Extension on medical certificate over three years to be without pay.

Should the circumstances of the case warrant a further extension of furlough, it can only be granted without pay.

Officers on medical certificate must be pronounced fit for duty before returning to India.

NOTE.—All officers, however employed, and whatever the amount of leave granted them may be, who leave India on sick certificate are required to produce a certificate of fitness for duty before they can be allowed to return.

Consequences of furlough on medical certificate taken within three years of last return.

XIV.—An officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer on civil employ, *ordinary furlough not exceeding three months*), may obtain under the usual medical certificate, such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

§ 2. If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to receive "furlough pay," as laid down in Rule V., for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

"Furlough at credit" bars furlough on medical certificate.

XV. An officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX., but without forfeiting any passage-money to which he may be entitled under Military Fund Rules,—or, if a Subaltern, by Regulation, when proceeding on medical certificate.

Furlough on medical certificate when extended on private affairs.

§ 2. Should the officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension *on private affairs* of such furlough beyond the said period of two years, must be without pay.

§ 3. Any extension on medical certificate of furlough under § 1 of this rule beyond two years or any lesser period which may be at his credit under Rules IX. and X. will be regarded, in all respects, as furlough on medical certificate (Rule XIII.); and if the period of two years should not exhaust the balance of furlough at his credit under Rule X., the period or periods of extension shall be deducted from such balance till the latter is exhausted. On the aggregate of two years' leave being exceeded, the officer will come under the provisions of Rule XIII.

Furlough at credit must be exhausted before furlough on medical certificate can be given.

XVI.—The aggregate amount of furlough with pay and retention of appointment, on private affairs and on medical certificate, that may be granted to an officer during his service will be limited to eight years.

Total furlough with pay, &c., in an officer's service limited to eight years.

NOTE.—The following periods of leave, however, will not be reckoned in this period of eight years:—

Furlough not reckoned in this period.

§ 1.—Leave without pay.
§ 2.—Sick leave to Europe, or to the Colonies eastward of Cape under the Rules of 1796.
§ 3.—Leave taken under Rule XI. of these Rules, provided it be not extended over the six months. If it be so extended, the whole period will reckon as part of the eight years.
§ 4.—Leave necessitated by wounds or sickness contracted on active service, and any other leave which may be allowed by proper authority to reckon as service for pension.
§ 5.—In the case of an unemployed officer, periods of residence in England on English pay after promotion to the rank of Major General, or to the rank of Regimental Colonel in the Royal (late Indian) Artillery and Engineers, or after completion of tour of service as Inspector General or Deputy Inspector General of Hospitals, when the officer is no longer required to reside in India.
All other leave to Europe, or out of India for periods exceeding three months (see Rule XXVII.), including furlough on medical certificate under the Furlough Rules of 1854, will form part of the period of eight years.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked, to the date of his *bonâ fide* disembarkation in India for the purpose of re-joining his appointment or Regiment: the date of embarkation (or of the vessel's leaving the Sandheads if from Calcutta) and that of disembarkation also, are included in the furlough.

Date from and to which furlough is reckoned.

NOTE (1).—As an illustration of this rule, it may be observed that a Madras officer's landing and reporting himself at Madras, *en route* to Calcutta to join his appointment in Bengal or the North-Western Provinces, &c., is not disembarkation in the sense intended by this rule.

NOTE 2).—To enable an officer who overstays his leave to obtain an extension, he should show that he took all needful precautions to insure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been *bonâ fide* advertised to sail from —— —— on the —— but that her departure had been delayed till the ——. See General Order No 52, dated 21st February, 1873.

Extension to cover excess over furlough how obtained.

XVIII.—Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date succeeding that of his disembarkation in India.
This applies equally to furloughs taken under Rule XI. The authority which has power to grant preparatory leave can, on due cause being shown, grant any necessary extension of it, but this can be done only on very sufficient reasons.

Preparatory leave.

Limited ordinarily to 30 days.

NOTE (1).—An officer obtaining a furlough on private affairs or medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough in India until he embarks; if not, the General Order will cease to have effect The only exception to this rule that can be allowed is when the officer is prevented from embarking within the three months owing to his detention in India by proper authority on *bonâ fide* public grounds.
If, however, the officer does not, within a reasonable time, avail himself of the furlough given him, his subsequently being placed on duty rendering his detention necessary will not exempt him from the rule; and in every case of such detention the officer must at once report it, and he is not to embark after the expiration of three months until he has applied for and obtained from the Government of his Presidency an extension of the period.

G. G. O. granting furlough has effect for three months only.

Detention when deemed a valid excuse.

NOTE (2).—Officers who may be serving in other Presidencies than their own, if they desire to embark *bonâ fide* for Europe from the latter, may obtain preparatory leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

An officer serving out of his Presidency may embark from it.

NOTE (3).—For full information as to the submission of applications for furlough, see G. G. O. No. 34, of 11th January 1869; G. G. O. No. 103, dated 26th January 1869; General Order by the Commander-in-Chief, No. 135, dated 11 June 1870.*

Application for furlough, how submitted.

NOTE (4).—The allowances of Military officers in civil employ during preparatory leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

NOTE (5).—Leave preparatory to retirement from the service does not reckon as service towards pension.

Leave preparatory to retirement.

XIX.—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

Pay issued monthly in India, quarterly in England.

XX.—Advances of furlough pay will continue to be made in India to those officers who desire it for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date. No advance is made in England to officers on their returning to duty.

Advances of furlough pay given in India only.

XXI.—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

Last pay certificate to show rate of furlough pay, &c.

XXII.*—An officer acting in India for an absentee on furlough will be restricted, for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half staff salary of his own appointment, if he possess one. The aggregate staff salary granted to an acting officer in such cases will not be less than Rs. 100 per mensem, unless the full staff salary of the post in which he is officiating is less than that sum.

Pay of officers acting for those on furlough.

Pay of Warrant Officers acting for others on furlough.

A Warrant Officer acting for one of a higher grade on furlough receives half of the aggregate allowances of the absentee added to half of the aggregate of his own allowances.

† NOTE.—The indulgence granted by section 1 of this rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

XXIII.—The privilege heretofore granted to Military and Medical Officers who had elected the Rules of 1854, of counting the proportion of leave noted in the margin as service for pension, is retained, and is applicable to those who elect these rules subject (in the case of officers under the Rules of 1796) to the condition laid down in § 4 of Rule XXXIV. The periods of service qualifying for pension remain unaltered.

Periods of furlough reckoned by Warrant Officers towards pension.

§ 2. Warrant Officers obtaining that rank after the 24th August 1872, can only reckon as service towards pension the following periods of leave whether taken in or out of India:—

20 ,, ,, 14 ,, ,,
24 ,, ,, 16 ,, ,,

Those who were promoted to warrant rank before that date, are allowed to continue if they prefer it, on the old rule, and reckon all leave in India as service, all out of India being deducted from their service, for pension.

XXIV.—In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled, under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule IX. he can lay claim. The balance within the limit of eight years' total furlough on private affairs and medical certificate laid down in Rule XVI., will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

Furlough due, how ascertained.

He accepts its conditions and serves four years longer in India. On the expiration of that term, he can take one year's furlough, thus—

Total service in India	14 years
Leave to which that service entitles him	3 ,,

Balance	1 year.

(2).—An officer of four years' service has proceeded on sick certificate to England for 20 months, extended afterwards to two years. He returns, serves six years in India, takes two years' furlough, and returns to India about the time of the promulgation of these rules, which he accepts. He must serve four years before he can take an additional year's furlough thus—

Total service up to return from furlough	14 years.
Total service in India	10 ,,

Chapter II.

General Leave on Private Affairs and Sick Certificate in India.

XXV.—An officer will be eligible, as at present, to take leave on private affairs or sick certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief or of the Government under which he may be serving. During the entire period of his absence on this account the officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively the officer will lose his staff appointment unless entitled to retain it under Rule II.

Leave on private affairs or medical certificate limited to six months.

Pay as heretofore.

If taken for a third year consecutively, staff appointment forfeited.

XXVI.—Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule IX. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as furlough, and allowances be adjusted accordingly.

If extended to one year on medical certificate reckons in the eight years of Rule XVI.

If extended over one year, reckons as furlough.

XXVII.—Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

Short leave (not exceeding three months) allowed heretofore.

XXVIII.—All general leave taken in India counts as part of the leave reckoning against service for pension.

Chapter III.

Privilege Leave.

XXIX.—Privilege leave may be granted, as at present, for sixty days in each year to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

Limited to 60 days in each year.

When extended.

XXX.—In the case of the stations noted in the margin, privilege leave may, as at present, be granted for ninety days to officers of Local Corps, or of Corps which are usually employed in one or other of the districts named.

90 days allowed from certain stations.

XXXI.—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

No restriction as to place.

XXXII.—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

Must be apart from furlough or other leave.

Military Officers in Civil Employ.

XXXIII.—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ who may elect these rules when they take leave in India, come, as respect periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

For preparatory or subsidiary leave, see Note (1) of Rule XVIII.

Subsidiary Rule.

XXXIV.—Officers of the Indian Military and Medical services will be required generally to notify their intention to accept these rules or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made.

Election of these rules to be final.

Fund subscription during furlough.

§ 2. Officers going home under these Rules will pay English rates of subscription only to the Military Fund.

§ 3. Officers who may determine to abide by existing Rules will be allowed to proceed on furlough on the conditions laid down in Rules VII., VIII., and XIII. to the extent to which they may be entitled under the Furlough Regulations of 1854, or of 1796, whichever of the two they may have elected, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV. must, however, be applied in those cases.

Benefits allowed to those who elect existing Rules.

§ 4. If an officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will

be reckoned under the former Rules up to 1st July, 1868, and thenceforward under the Rules of 1868; and the fact of the officer having been on furlough on 1st July, 1868, and not then having elected the Rules of 1868, will not affect the case. All periods of leave out of Indian limits taken previous to 1st July, 1868, will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXIII.

Retirement under 1796 *Rules not affected.*

His election of these Furlough Rules in no way affects his right to *retire* under the Pension Rules of 1796.

FURLOUGH AND LEAVE RULES.

30th December, 1875.

No. 1,316 of 1875.—Under instructions from Her Majesty's Government, the Right Honorable the Governor-General in Council is pleased to publish the following revised Furlough and Leave Rules applicable to the Staff Corps and Indian Local and Medical Services.

1. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these rules, be taken later.

2. An Officer may receive at any time any portion of the furlough to which he is entitled; but, except under Rule 8, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from furlough, may he receive, except under Rule 6, any further portion of the furlough to which he is entitled until after the interval of two years.

3. It must be distinctly understood that furlough is subject to the exigencies of the public service. Officers commanding regiments, and Heads of Departments, will forward no application for furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the public service.

4. Furlough does not involve forfeiture of appointment, may be spent anywhere, and counts as service for pension.

5.* A commissioned Officer on furlough receives (up to, but not beyond, the sum of £1,000, a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State; but in any case he does not receive less than £250 a year. The emoluments of his office include all pay, staff corps pay, staff salary, and Indian allowances he would receive in respect to it if he were on duty, and for the purpose of each payment his office is the office he fills on the day when that payment becomes due. A Warrant Officer receives half the emoluments of his office, calculated in the same manner as those of Commissioned Officers, no Warrant Officer, however, receiving as furlough pay less than the English furlough pay of his rank.

6. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such furlough will be deducted from his next accruing furlough until it is paid off. An Officer will not be allowed to anticipate furlough under this rule to an aggregate amount to more than two years.

† An Officer of less than two years' service from date of coming under the new rules, falling sick, will be sent to England on medical certificate, on English furlough pay, subject to the decision of her Majesty's Government as to his ultimate disposal; a special report on each case being submitted to her Majesty's Government by the Government of India, or in the case of Officers of the Madras or Bombay army by the Government of those presidencies.

‡ Furlough on medical certificate under this rule does not count as service for pension until it has been paid off as provided for in the rule.

7. An Officer who has exhausted the furlough obtainable under these rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

8. Under very urgent circumstances special furlough may be granted for private affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

† The amount of leave which may be granted under this rule will be restricted to such period as the Government granting it is satisfied is actually necessary with reference to the urgency of the case.

9. Advances for passage money, on need shown, will be granted to Officers on furlough, to be recovered in manner specified at the time of the grant; in India, at the discretion of the Local Government; and in England, at the discretion of the Secretary of State.

10. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons, to be specially reported to the Government of India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who in granting it shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance half-pay and allowances are to be deducted for the payment of a substitute; and they may grant it as preparatory to furlough, or for the purpose of a medical examination. Leave counts as service for pension and furlough. The local authorities shall be defined for the purpose of this rule by the Government of India.

11. Leave and furlough are reckoned from and to the close of the days named in the order granting them.

12. The position of Officers not included in Schedule A will be unchanged as respects leave or furlough.

13. Officers now in the service placing themselves, from a given date, under these rules, shall count service for pension up to that date under the rules to which they were then subject.

† An officer takes with him so much service for pension as he had become entitled to under former rules. Under the rules of 1854 and 1868, two years' leave in twenty years' service counts for pension, but in periods of less than twenty years no leave counts. Therefore, if an officer now under the rules of 1854 or 1868, of twenty years' service, with two years' leave, elects the present rules, his service for pension will be twenty years'; if an officer of nineteen years' service, with the same amount of leave, elects these rules, his service for pension will be seventeen years only.

SCHEDULE A.

Officers entering the Staff Corps or Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December, 1875; and

Any other officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service, or Officers of the Staff Corps, who, after the 31st of December, 1875, shall, before asking for leave or furlough, apply in writing to their Local Governments to be placed definitively upon this Schedule; but their service for furlough under Rule 1 shall commence from the date of such entry or such application respectively.

† The date of entry into the Staff Corps is that of entry for choice of furlough rules, viz., the date on which the Officer was originally appointed on probation. An Officer, therefore, whose date of admission to the Staff Corps is not after the 31st December, 1875, will have the choice of rules, but an Officer whose date of admission is after that date will have no option.

† An Officer coming on this schedule, having furlough to his credit under previous rules, forfeits such furlough absolutely, he being required to serve five years from date of applying to be placed on the schedule before he can take one year's furlough, unless it be sick furlough under Rule 6. An Officer similarly circumstanced, but having furlough to his debit, is equally with the others entitled to take one year's furlough five years after joining the new rules.

Any Officers in civil employment declared by the Government of India to be under civil leave rules shall not be under these rules.

*** The last pay certificate issued to an Officer to whom furlough or leave has been granted shall state the pay to which, under Rule 5, he is at that date entitled in respect to the office he is holding, noticing the date, if any fixed, at which he will vacate it.

With advertence to the foregoing rules, the Right Honorable the Governor-General in Council is pleased to notify—

I. That no "extra or special allowances" drawn by an officer, which are now excluded from the account in calculating furlough pay under the Rules of 1868, can be reckoned in calculating furlough pay under these Rules (Rule 5).

II. That the Governments of the three Presidencies, or their Excellencies the Commanders-in-Chief, in regard to Officers serving directly under them, shall be held to be the "local authorities" named in Rule 10.

III. That, pending further orders, a Staff Officer granted leave under Rule 10 shall receive, as heretofore, the pay or staff corps pay of his rank, and half the staff salary of his appointment during such leave; but full staff salary may be allowed him for the first two months (as now during privilege leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the Government Officer granting the leave must state that the first two months are to be on full staff pay.

N.B.—It is distinctly to be understood that the rule regarding the pay to be drawn on leave under para. 10 is liable to be modified at any time in any way that the Government of India may deem expedient.

IV. Pending further orders these rules are not applicable to any Officer in civil employ.

MESSRS. GYE & MONCRIEFF'S
GUN & RIFLE MANUFACTURE,
60, ST. JAMES'S STREET,
LONDON, S.W.

Mr. LIONEL GYE (*Late Lieutenant, Royal Artillery*) and Mr. LYNEDOCH MONCRIEFF (*Retd. Commander Royal Navy*), associated themselves in 1874 for the purpose of supplying a want felt by purchasers of every kind of fire-arm, *viz.*, a scientific surveillance and investigation of the materials and workmanship of the weapons and the many articles connected therewith, and they established their business for the production of guns, rifles, pistols, &c., which should not only be free from the faults so often found, *but should be at a much lower price than that usually charged for the same quality*, and to this question of price they wish to call most particular attention.

For the weapons they have built, many of which were specially designed by them for the shooting in America, North and South Africa, Abyssinia, India, &c., &c., they have received the highest praise.

Messrs. GYE & MONCRIEFF do not confine themselves to the manufacture of one quality of weapon only, but make every description, and at many different prices, with the exception of such as are not trustworthy or thoroughly efficient.

They also supply ammunition of every kind, cartridges, cartridge cases in any quantity, however small or large, &c., and all articles requisite for shooting, carry out alterations, repairs, &c., and undertake every detail connected with fire-arms.

A certain number of guns, rifles, and pistols, finished and ready for immediate use, as well as others in various stages of manufacture, are always to be found.

Messrs. GYE & MONCRIEFF make a special double rifle (Express) for tiger shooting in India, at 30 Guineas, and a special double gun (which will shoot ball) at 20 Guineas.

The rifle is fitted with Messrs. GYE & MONCRIEFF'S sighting, which is now being used by the principal large-game and deer shots.

They also make a snap-action pistol with their own improvements, which can be loaded, fired, and reloaded with one hand only, when on horseback, and which takes the Government ·450 cartridge.

Messrs. GYE & MONCRIEFF made a strict rule when commencing their business, to which they are obliged to adhere, *viz.*,—"That all accounts shall be paid within a month, unless otherwise specially arranged at the time of purchase."

Messrs. GYE & MONCRIEFF will forward on application details of prices of cartridges, powder, or of any other requisite for shooting, or cost of repairs and alterations.

LAMPLOUGH'S

PYRETIC SALINE.

PROVED TO BE THE BEST PREVENTIVE OF

SMALL POX & FEVERS.

It is the most agreeable, VITALIZING, and REFRESHING of all Salines, and gives instant relief in HEADACHES, SEA or BILIOUS SICKNESS; it quickly cures the worst forms of Eruptive or Skin Complaints. The various diseases arising from Constipation, Climatic Influence, the Liver or Blood Impurities, Inoculation, the Results of Breathing Air Infected with FEVERS, MEASLES, or SMALL-POX, ARE CURED AND PREVENTED BY ITS USE.

Taken as a morning or evening draught, it is most agreeable, invigorating, and cooling; it removes Bilious Affections, Heartburn, and Acid Eructations in a marvellous manner.

"It will cure the worst form of Ordinary or Sick Headache in Ten Minutes."

DR. PROUT characterised its discovery as "unfolding germs of immense benefit to mankind." The late DR. TURLEY states in a letter, "that in the worst cases of Scarlet and Typhus Fevers, he found it in his experience and family to act as a specific, no other medicine being required."

RAWUL PINDEE, PUNJAB, INDIA, 28th March, 1871.

"On the recommendation of several officers, who had some of your Saline in the West Indies, all of whom speak in the highest terms of it, we were induced to try it for the first time in this Province. Solely from the ascertained merits of your preparation, after use in the *Fever-stricken districts* by which we are surrounded, we firmly believe that the use of your Pyretic Saline will do more to PREVENT fever than all the Quinine ever imported can cure. We write thus strongly, because both from personal experience and observation, we believe we have at length found a *remedy* against the ever present fevers of these parts, which cost the *British nation hundreds of valuable lives* in Peshawur alone. We are now willing to enter into special terms for large and continued supplies, etc."

Important to Travellers. English Ministers, British Consuls, and Europeans seeking to reside in safety in Tropical and Foreign Climates. Her Majesty's Representative, the Governor of Sierra Leone, in a letter of request for an additional supply of the Pyretic Saline, states:—"It is of great value, and I shall rejoice to hear it is in the hands of all Europeans visiting the Tropics."

Sickness, Headache, and Nausea are in most cases immediately relieved by taking a teaspoonful in a tumbler of cold water. This can be repeated once or twice in two hours, if needful.

Sea Voyages.—It is a very valuable accompaniment, and should on no account be omitted; it instantly allays the sickness.

For Bilious Constitutions, giving rise to Vitiated Secretions, Indigestion, and Eruptions on the Skin, a teaspoonful should be taken daily with the dinner, in a tumbler of water, and the same quantity on going to bed.

In Measles, Scarlet, Jungles, Typhus, or Gastric Fevers, and Eruptive Diseases, or Prickly Heat, it should be given in teaspoonful doses every four hours, in a glass half full of water, or with an increased quantity of water if the patient suffers from thirst. If accompanied with sore throat, or enlarged glands, well rub into the part strong hartshorn and oil until redness is produced.

The late DR. TURLEY, of Worcester, stated he found this Saline a specific in these diseases, no other medicine being required. Persons at a distance from medical aid would do well to have such simple remedies by them.—*Illustrated News of the World.* This method had been found successful in every instance in which it has been used.

Heartburn and Inward Fever. One teaspoonful should be taken in half a glass of water, and repeated if needful.

CAUTION.—The great reputation of this remedy having called forth SPURIOUS IMITATIONS, whose only merit is a transposition of the words of my label and wrappers, without any of the *health-restoring properties,* it is needful to observe MY NAME AND TRADE MARK AS ABOVE, on a BUFF-COLOURED WRAPPER, WITHOUT WHICH THE SALINE CANNOT BE GENUINE.

DR. J. COLLIS BROWNE'S

CHLORODYNE.

THE ORIGINAL AND ONLY GENUINE.

ADVICE TO INVALIDS.—If you wish to obtain quiet refreshing sleep, free from headache, relief from pain and anguish, to calm and assuage the weary achings of protracted disease, invigorate the nervous media, and regulate the circulating systems of the body, you will provide yourselves with that marvellous remedy discovered by Dr. J. COLLIS BROWNE (late Medical Staff), to which he gave the name of

CHLORODYNE,

And which is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

Chlorodyne is the best remedy known for COUGHS, CONSUMPTION, BRONCHITIS, ASTHMA.

Chlorodyne effectually checks and arrests those too often fatal diseases known as DIPHTHERIA, FEVER, CROUP, AGUE.

Chlorodyne acts like a charm in DIARRHŒA, and is the only specific in CHOLERA and DYSENTERY.

Chlorodyne effectually cuts short all attacks of EPILEPSY, HYSTERIA, PALPITATION, and SPASMS.

Chlorodyne is the only palliative in NEURALGIA, RHEUMATISM, GOUT, CANCER, TOOTHACHE, MENINGITIS, &c.

The Right Hon. EARL RUSSELL has graciously favoured J. T. DAVENPORT with the following—

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla, to the effect that Cholera has been raging fearfully, and that the ONLY remedy of any service was CHLORODYNE."—See *Lancet*, December 1st, 1864.

From W. Versalius Pettigrew, M.D.

I have no hesitation in stating that I have never met with any medicine so efficacious as an Anti-spasmodic and sedative. I have used it in Consumption, Asthma, Diarrhœa, and other diseases, and am perfectly satisfied with the results.

From Dr. B. J. Boulton, & Co., Horncastle.

We have made pretty extensive use of Chlorodyne in our practice lately, and look upon it as an excellent direct Sedative and Anti-spasmodic. It seems to allay pain and irritation in whatever organ and of whatever cause. It induces a feeling of comfort and quietude, not obtainable by any other remedy, and it seems to possess this great advantage over all other sedatives, that it leaves no unpleasant after-effects.

CAUTION.—The extraordinary medical reports of the efficacy of Chlorodyne renders it of vital importance that the public should obtain the genuine, which bears the words "Dr. J. Collis Browne's Chlorodyne."

Vice-Chancellor WOOD stated that Dr. J. COLLIS BROWNE was undoubtedly the Inventor of CHLORODYNE; that the whole story of the defendant, Freeman, was deliberately untrue.

Lord Chancellor Selborne and Lord Justice James stated that the defendant had made a deliberate misrepresentation of the decision of Vice-Chancellor Wood.

Chemists throughout the land confirm this decision that Dr. J. C. BROWNE was the Inventor of CHLORODYNE.

Sold in Bottles at 1s. 1½d., 2s. 9d., and 4s. 6d., by all Chemists.
